### Want to know the cost for your school for 2021?

Go to [problemo.edu.au/pricing/](https://problemo.edu.au/pricing/) to generate a subscription quote for your school.

For more information, please see our [User Terms](#).

\*Enrolments per year level data is sourced from the Australian Curriculum, Assessment and Reporting Authority and the New Zealand Government's Education Counts. While we use the most recent data available from these sources, that data may not accurately reflect the 2021 student enrolment details (noting these sources report historical data). If you have any questions regarding the number of students, please [contact us](#).
